PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 29-13712

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates this permit, since proof was submitted after the proof deadline. Please note that the priority date for the permit has been advanced to April 16, 2005, as provided in Section 42-218a(2), Idaho Code.

The amount of homes listed on your statement of completion exceeds the amount of homes listed on the permit. I have enclosed a copy of your statement and a copy of the permit for reference. Also, since the permit is for 0.04 cfs and the source is ground water, there is no fee for the field exam. I have requested that a refund of the \$50 fee be mailed out to Moose Mountain Homeowners Association.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website at: www.idwr.idaho.gov

If you have any questions regarding the refund please call me at 208-287-4952. If you have any questions concerning the field examination, please contact the Eastern Regional Office in Idaho Falls at 208-525-7161.

Sincerely,
