RE: Security Interest Water Right No. 29-7173

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change.

According to our records on May 3, 2010 you submitted a Notice of Security Interest for the above listed water right number with an expiration date of March 1, 2040. On June 30, 2010 the department received another Notice of Security Interest for the same water right with an expiration date of January 1, 2015. The department is unable to add you as a security interest holder twice on the same water right. Please inform the department if the previous mortgage has been released and you would like the department to list January 1, 2015 as the new expiration date or if it is your intention to maintain the later expiration date on your security interest.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
