Re: Water Supply Bank - Ralph Wheatley, d/b/a Meadowbrook Ranch

Dear Cynthia:

Per our May 12 phone conversation, enclosed is an additional Application to Lease a Water Right to the Water Supply Bank submitted on behalf of the owner, Ralph O. Wheatley, with regard to Water Right No. 1-169F.

Also enclosed for your information is an updated summary of the Wheatleys' water rights.

As we discussed, Mr. Wheatley does not intend to include Water Right No. 27-7495 in the leases to the Water Supply Bank, as it is being retained to provide water for recreation storage in a fishpond which continues to be utilized. You indicated that Water Right Nos. 27-11314 and 27-7494 could not be placed in the Bank as neither is licensed, unless additional proof of use is submitted by the owner or until the SRBA review process results in a recommendation of those rights. Mr. Wheatley indicated that he may have affidavits and other information to substantiate these rights. I will follow up on this with him and if we can provide the additional information, we will do so, so these rights can also be included.
