RE: Change in Ownership Water Right No. 74-474, 74-15934 & 74-15935

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

***** **Filing Fee** of \$100 per water right for changes resulting from division of a water right

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice.

Thank you for your response to our letter dated June 7, 2010. The department acknowledges the receipt of \$100.00 for you ownership change received on June 7, 2010. However according to our review of your application you are requesting the division of 3 water right. As noted on our previous letter the fee is \$100.00 per water right for ownership changes resulting in a split. In order for our department to complete your request an additional \$200.00 will be required. Please review the map enclosed. If you believe the department is correct that all 3 water rights will require a split, please provide the necessary fees. If you believe this is an error and you should receive the entire place of use of some of the above listed water rights, please provide additional evidence of ownership.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
