Re: Change of Ownership 36-11253, 36-4049A, 36-4049B

Dear Water Right Holders':

The Department acknowledges receipt of correspondence changing ownership of water rights 36-11253, 36-4049A, and 36-4049B from Becky Rudolph to J&W Agri-Corp. According to the deeds obtained by First American Title, I am unable to transfer these water rights into J&W Agri-Corp without further documents.

I have enclosed a copy of the deed I obtained. The Warranty Deed transfers ownership from Becky Rudolph to Wayde, Gary and Jamie Johnson, not to J&W Agri-Corp. I was able to transfer two of the water right(36-4049A and 36-4049B) into these gentlemen's' names but water right 36-11253 domestic location was exceptioned out of the Warranty Deed. It was not changed. I do not have a deed transferring this land into the Johnson's name so I am unable to do a transfer at this time.

In order to get these water rights into J&W AgriCorp I need a deed with supporting legals conveying the water rights into the corporation.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
