CONDITIONS OF WATER USE

- * Rental of this right is limited to the annual consumptive use volume of 66.8 acre-feet per year or a continuous diversion rate of 0.15 cfs for use from March 15 to October 31.
- * Rental of rights 75-2137 and 75-4199 when combined is limited to the annual consumptive use volume of 97.5 acre-feet per year or a continuous diversion rate of 0.21 cfs for use from March 15 to October 31.
- The water rented under this right is appurtenant to the irrigation of 26.7 acres.
- The use of water under this agreement shall be subject to the provisions of Idaho Code § 42-1766.
- Rental of the specified right from the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication or any other department application process.
- Use of water under this agreement does not constitute a dedication of the water to renter's place of use and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to those authorized under the water right and/or again be available to rent from the bank.
- This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
- Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
- Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
- Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
- Failure of the renter to comply with the conditions of this agreement is cause for the Director to rescind approval of the rental agreement.
