RE: Permit No. 91-7170

Dear Permit Holder:

Enclosed is a copy of the request for extension you submitted to the department for the above referenced permit. Based on this request the department has granted an extension of time for filing proof of beneficial use to **June 1, 2011**. This approved request reinstates the permit since the request and the filing fee were submitted after the proof due date, and the priority of the permit advances to April 9, 2008, as referenced in Section 42-218a, Idaho Code.

The department granted this extension based on evidence of **good cause**. It is important that you work diligently toward the completion of this project during the construction period allowed, according to Section 42-204(5), Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Also, forms are contained on the Department website: www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4952.

Sincerely,
