RE: Application for Permit No. 37-22513(Bellevue Elementary), Application for Permit No. 37-22514 (Hailey Elementary), and Application for Permit No. 37-22542 (Carey Elementary)

Dear Dr. Barber:

The Department of Water Resources acknowledges receipt of your water right applications as referenced above. Please use the application number in all future correspondence.

A legal notice of the applications has been prepared for publication in the **Idaho Mountain Express** on **7/7 & 7/14/10**. Submittal of protests to the application will be allowed for a period ending ten days after the second publication. **(July 26, 2010)**

If an application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If an application is not protested, final processing may occur at the Regional level or it may be forwarded to our State Office in Boise. You will be notified of any action taken on the application and a copy of the permit, if approved, will be provided. A typical processing time for an un-protested application is about eight weeks.

Please feel free to contact this office if you have any questions.

Sincerely,

Mary A. Baldwin
Administrative Assistant
