Application proposes to appropriate up to 1.2 cfs of non consumptive ground water flow from a shallow sump to flow through a proposed pond and to appropriate up to 9.6 ac-ft of storage of ground water in the same pond. After being diverted from the shallow sump and flowing through the pond, the diverted flow will be returned to the source via the same shallow sump, or another separate sump located nearby. A proposed mitigation plan and an accompanying transfer application (# 76572) have been submitted to mitigate consumptive use(s) associated with the project which is located approximately 2.45 miles north and 1.1 miles west of the center of Hailey.

RODRICK H RINKER, PO BOX 7250; NEWPORT BEACH CA 92658 has filed Application No. 76572 for changes to water rights within BLAINE County. Application proposes converting a 0.04 cfs & 1.4 acre portion of a Big Wood River right (diverted from the Purdum Slough) that currently authorizes the diversion of 0.10 cfs for the irrigation of 3.8 acres to aesthetic and recreation uses associated with a proposed pond. The application also proposes changing the authorized point of diversion location and authorized place of use location from the east side of the Purdum Slough to the west Side of the Purdum Slough for the entire right (portion converted to pond use and remaining irrigation portion). The property involved with the application is located approximately 2.35 -2.55 miles north and 1.1 to 1.2 miles west of the center of Hailey.

ERIC REMAIS and JOYCE GORDON, PO BOX 7; HAILEY ID 83333 has filed Application No. 75079 for changes to water rights within BLAINE County. Application proposes creating a 9.3 acre permissible place of use for a Big Wood River right (diverted from the Purdum Slough) that currently authorizes the diversion of 0.10 cfs for the irrigation of 3.8 acres and a groundwater right that currently authorizes the diversion of 0.045 cfs for the irrigation of 1.5 acres. The point of diversion for the groundwater right will also change from a well on the neighbors property to an existing well located on the applicants property. A total of 5.3 acres will be irrigated within the proposed permissible place of use located approximately 2.3 -2.55 miles north and 1.0 to 1.1 miles west of the center of Hailey.****Permits will be subject to all prior water rights. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit the website for the Department at <http://www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp> Protests against an Application for Permit may be submitted based on the criteria of Sec 42-203A, Idaho Code. Protests against an Application for Transfer may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before July 26, 2010. The protestant must also send a copy of the protest to the applicant.
