5. General Information:

- a. Describe the complete diversion system, including how you will accommodate a measuring device and lockable controlling works should they be required now or in the future: New well to be drilled for water right 37-8322 and pump from the Purdum Slough for water right 37-577AK to be used at the existing point of diversion.

- b. Who owns the property at the point(s) of diversion? Applicant.
If other than the applicant, describe the arrangement enabling the applicant to access the property for the diversion system: Existing point of diversion for water right 37-577AK historically used and recognized by IDWR in SRBA recommendation.

- c. Are the lands from which you propose to transfer the water right subject to any liens, deeds of trust, mortgages, or contracts?
If yes, ☐ Attach a notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes on official letterhead signed by an authorized representative. Label it **Attachment #6. List the name of the entity and type of lien: No.**

It is the applicant's responsibility to provide notice to lien holder, trustee, mortgagor, or contract holder of the proposed changes that may impact or change the value of the water rights or affected real property. Any misrepresentation of legal encumbrance on this application may result in rejection of the application or cancellation of an approval.

- d. Describe the effect on the land now irrigated if the place or purpose of use is changed pursuant to this transfer: No change; water rights are being split to reflect new ownership of half of the rights; applicant desires to create a permissible place of use on 9.3 acres within the parcel known as Lot #2, Fawn Creek Ranch Subdivision.

- e. Describe the use of any other water right(s) for the same purpose or land, or the same diversion system as right(s) proposed to be transferred at both the existing and proposed point(s) of diversion and place(s) use: N/A.

- f. To your knowledge, has/is any portion of the water right(s) proposed to be changed:
