RE: Change in Ownership Water Right No. 74-666, 74-671, 74-2247, 74-15390, 74-15772 & 74-15920

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right

**** **Evidence of Security Interest:** copy of Deed of Trust, Mortgage, Contract of Sale or other legal document indicating your interest in the property and water rights in question

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice.

During our review the department found that water right number 74-15772 is not appurtenant to the property purchased according to the documentation submitted with your application. It appears that you may be entitled to a portion of water right number 74-15774, however it will according to the documentation we have the ownership change will require a split and additional fees will be required. Please review the map attached showing the place of use of both water right number 74-15772 and 74-15774 and the property purchased. If you believe you do own water right number 74-15772, please provide legal documentation indicating your ownership. If you believe you have partial ownership in water right number 74-15774, please inform our department and submit the additional fees in order for a split to be completed.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

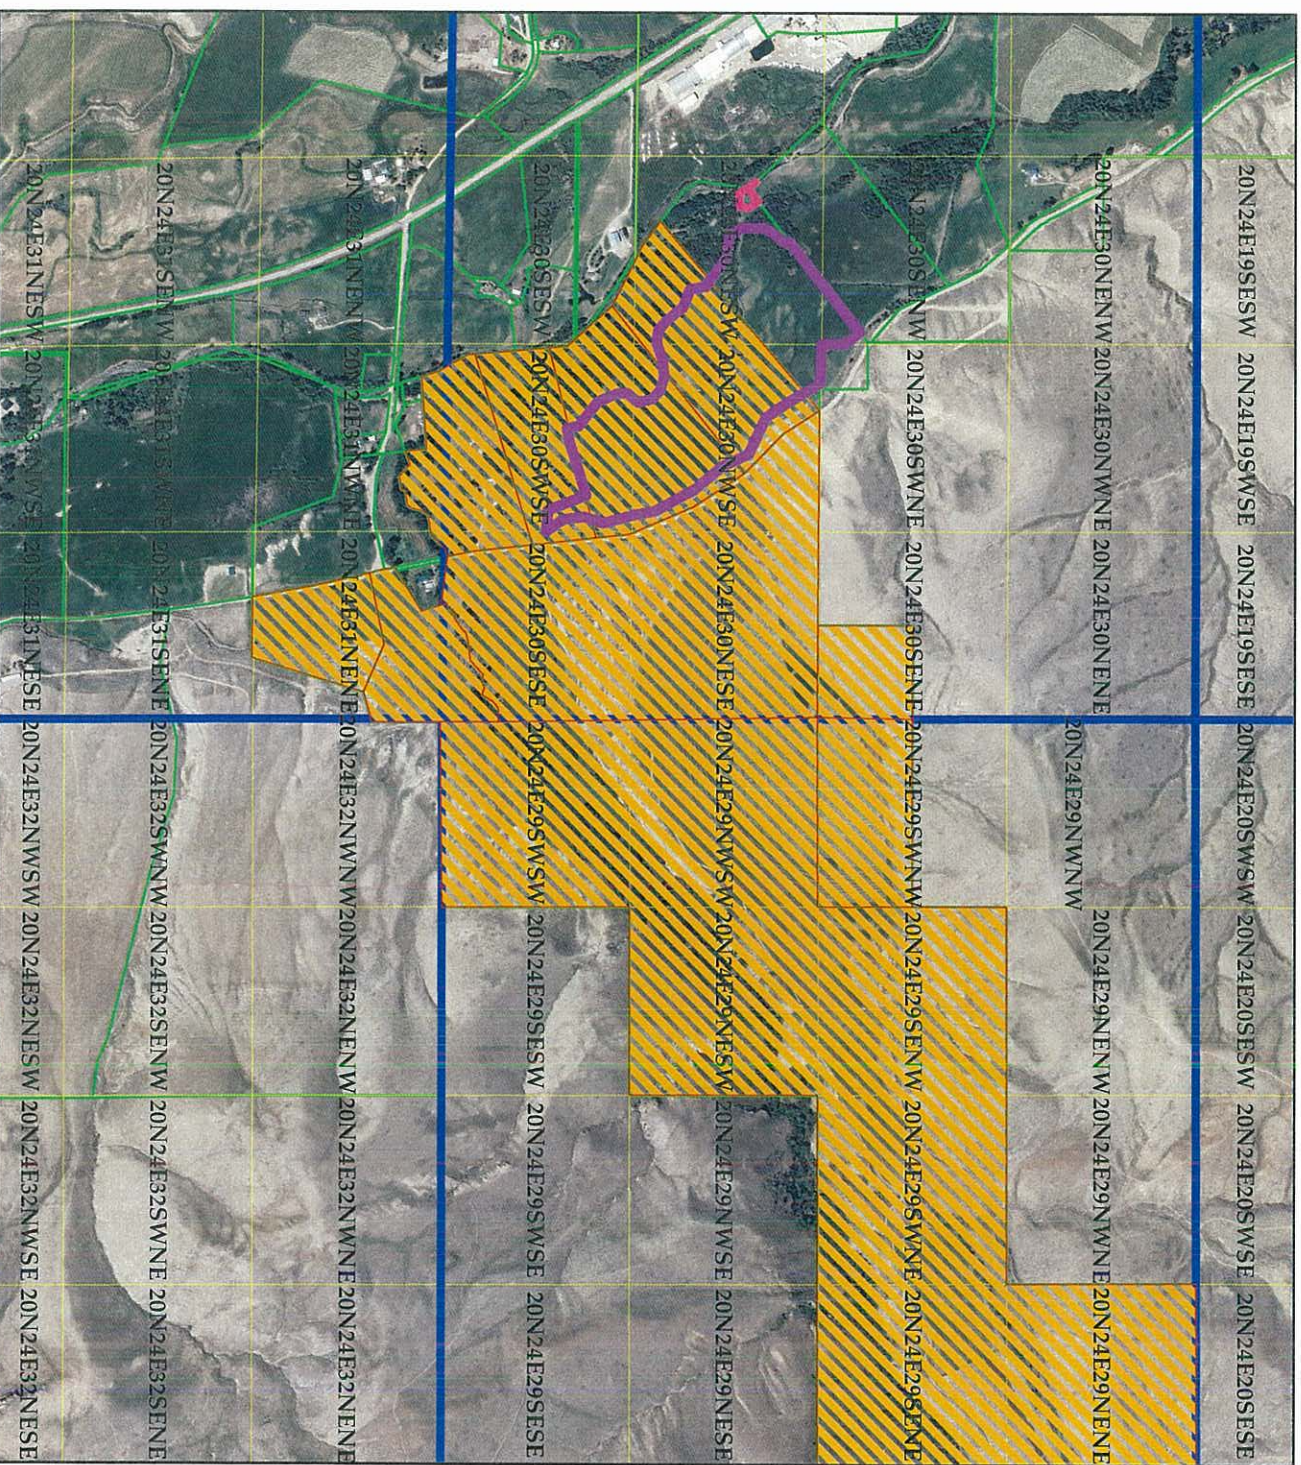

Jonie Barg
