Dear Mrs. Landry

I received your phone message. The Request for Extension of Time that you filed and signed on behalf of your husband, can be accepted upon receipt of a copy of the Power of Attorney. Please fax a copy of the POA to 208-287-6700 c/o Darla Block.

I also am Power of Attorney for a family member. In my experience with signing documents, (POA) is added after the signature, and a copy of the POA also needs to be attached.

Thank You,

Darla Block
