REQUEST FOR EXTENSION OF TIME

TO PROVIDE ADDITIONAL TIME IN WHICH TO SUBMIT PROOF
OF BENEFICIAL USE FOR A WATER RIGHT PERMIT

The Idaho Department of Water Resources will consider this form as a request that the permit holder(s) be granted an additional period of time under the provisions of Section 42-204, Idaho Code in which to complete development of a water right and file proof of beneficial use of water. There is a **FILING FEE** of \$50.00 to be included with this form when filed with IDWR.

Permit No. 63-32103 Date Proof is Due: June 1, 2010Name(s) of Permit Holder: Sorrento Lactalis IncAddress: P.O. Box 1280 City: Nampa State ID Zip 83653Telephone No. (208) 467-4424 Email: john.prigge@lactalis.us

Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

Sorrento constructed a new well (12-inch x 318 feet; tag D0047727) in 2007 and equipped the well with a 50-hp, nominal 2.5-cfs submersible pump. The pump was connected to the plant and to a new 40,000-gallon steel reservoir through approximately 400 feet buried 10-inch pipeline. This well has been used as the primary source of plant water supply since the fall of 2007.

Estimated Cost: >\$200,000 (water facilities only)

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

Most of the water development work for this permit has been completed. However, Sorrento is continuing to increase diversion volume as the Nampa plant expands cheese production. We estimate that only 30% of the potential volume available under the permit was diverted during the 2009 calendar year. Therefore, additional time is requested to allow annual diversion volumes to be maximized prior to water right licensing.

Permit holder(s) request an extension to June 1, 2015.(Signature) [Signature] If other than permit holder, Power of Attorney must be supplied.(Date) 5-20-10

ACTION OF THE DEPARTMENT OF WATER RESOURCES

IT IS HEREBY ORDERED that the above request for extension of time be
APPROVED and the time within which to submit proof of beneficial use
is extended to June 1, 2015.

Signed this 22nd day of June, 2010
