RE: **Water Right 37-8249**

Dear Interested Parties:

We have been advised that you may be the current owner of a portion or all of the property appurtenant to the water right mentioned above. A copy of the water right report is enclosed for your information and convenience. The property was previously in the name of River Grove Farm, which may have been a previous business name.

Before we can modify our records to reflect your ownership of the property and the water rights referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee. I have enclosed a copy of this form for your convenience.

The filing fee is \$25 per water right, except for those water rights which are divided as a result of the change in ownership. The filing fee for division of a water right is \$100 per water right to be divided. Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. **Failure to report these changes could result in a \$100 late filing fee.** Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
