RE: Corrected Assignment of Permit

Dear Lori:

The Department of Water Resources acknowledges receipt of the corrected assignment of permit for permit no. 63-33375 which is a previously split portion of permit no 63-11702. The department has modified its records to reflect that the current owner of permit no. 63-33375 is Tom White. I have enclosed a report which reflects the change in ownership.

Section 42-248, Idaho Code, requires you or the owner of this permit to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a permit and/or a change in the address of the permit holder are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
