Subject: Corrected Assignment of Permit

Dear John,

On April 25, 2010, SPF submitted four Assignments of Permit for water right 63-11702. The assignments were processed and mailed to the new owners. One of the four assignments was processed for Jason E. Phillips, who owned an 18-acre portion of water right 63-11702 in 2008 when the assignment applications were prepared. As a result, water right split 63-33375 for 18 acres was mailed to Mr. Phillips at the property address.

As indicated on the enclosed warranty deed, Tom White has owned and lived at the property represented by split right 63-33375 since May 26, 2009. Mr. White received the correspondence from the Department to Jason Phillips and notified us of the error.

On behalf of Mr. White, enclosed is a *corrected* Assignment of Permit for Mr. White's 18-acre portion of water right 63-11702 represented by split right 63-33375.

Thanks John. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori Graves".
