

MEMORANDUM

TO: Application for Permit 43-13680

FROM: Jeff Cooper

DATE: June 16, 2010

SUBJECT: Site Visit

On June 14, 2010, Corey Skinner and I visited the proposed development under Application for Permit 43-13680 filed by William Wickel. We observed that the unnamed spring, locally known as Wickel House Spring, had sufficient water to supply the proposed uses. The following photo was taken of the source and proposed point of diversion on the day of the visit:

In addition to the flowing spring, the area was covered with vegetation typically associated with waterlogged soils.
