This is not the correct water right, I do not own this property any longer. I do now have the information I needed and am sending in my current claim.

Jeff

Mr. Coulter,

I have attached a printout of the information for Water Right 96-7839, which was issued in the name of Jeff Coulter. If this is not the correct water right record, please call me at 208-287-4947 and I'll be glad to help look up the correct water right.

Sincerely,

Hey Shelley,

Do you have a few to respond to the inquiry below or do you want me to send it to tomorrow's agent?

Thank you!
Kelly

I started to fill out the claim form and could not locate my original water right # so I am dead in the water can you provide that number for me? I have somehow lost my well log which I assume has the information on it. Can I get a duplicate of my well log from you? Could someone call me and give me this information?
