

MEMORANDUM

Date: June 18, 2010
To: Water Right File 96-9137
From: cpadilla
Re: License Review

This right covers 11 lots within the Raptor View Subdivision. At the time of the field exam, there was only one home constructed but all 11 lots were stubbed-in and ready for connection. The field examiner found no irrigation, so this right will be limited to 1/2 acre per lot on which a home has been constructed.

Volume ~~1.6~~ afa x 11 homes = 13.2

— 1.2
