Subject: change of ownership 65-9873

Thank you for submitting your request for a change of ownership. However, it has been determined that more information is needed before we can process this request. Our Dept. needs to have some sort of legal document, warranty deed, gift deed, last will and testament that puts this property in your name. Additionally, Helen and Ted Gibson are also listed as owners of this water right. Are we replacing Ruth and Tom with you as owner and leaving the Gibson's? Or will you be the sole owner of the water right? If you will be the sole owner, we will need something from the Gibson's that puts this in your name.

Also, Notice of Change of Water Right Ownership requests require a filing fee of \$25 per water right.

The Dept. will hold this request for 30 days waiting for your response. If we don't receive the proper information and fees, we will return the application to you which you may resubmit with the proper paperwork and fees at anytime. If you have any questions, please contact this office at 208-334-2190.

Thank you.

Sincerely,

Jean Hersley
