Dear Ms Hersley:

Thank you for the email reply on May 19, 2010.

Here is the additional information you requested regarding a change in ownership of water right 65-9873. I believe you still have a copy of my previous "Notice of Change in Water Right Ownership" I obtained from the IDWR website as well as a newly approved lease from the US Forest Service to demonstrate the ownership change.

Additionally I have attached the official US Forest Service Form used to change the lease interest and the authorization submitted to document the change. You may contact my grandmother at 378-7604 if you need anything further on the transfer as there is no warranty/gift deed.

So then to clarify I am requesting that you remove Ruth and Tom Bunderson and list J. Todd Bunderson in place. If there is room for two names you can also list J. Scott Bunderson otherwise just my name is OK. You can leave the Gibson's as is.

I enclosed a check as requested.

Please contact me with any questions, if I should do something in addition, or if you require additional information at tbunderson@ccdchoise.com or at 891-1773. Otherwise, I would appreciate it if you could let me know when you have updated the record.

Thank you,

Todd Bunderson
