Dear Mrs. Bunderson:

Enclosed is a Revocation and Application form for changing ownership of your Bear Creek cabin on lot #2. The form has two parts. In Part I – Request for Revocation, you as the permit holder acknowledge that ownership of the cabin and the other improvements have been conveyed to Todd. In Part II, Todd requests a new permit, which will be issued in his name.

If the form is satisfactory, please sign and date Part I. Todd needs to sign and date Part II. Return the form to this office along with the bill of sale, deed, or other document verifying the change in ownership.

The water right for the water system that serves your cabin and the Gibson's cabin is held jointly by you, Helen Gibson and Ted Gibson. Tom Bunderson is also listed as an owner. The Bunderson's interest in this water claim should be in Todd's name. A transfer of ownership application form is available on the Idaho Department of Water Resources' web site.

If you have any questions please contact Robin Metz at this office. Robin's phone number is 259-3361, ext. 7541.

Sincerely,

D. JOHN KIDD
