Mr. Spencer,

Shelley Keen asked that I follow up with your June 16 inquiry into the apparent error in the basin numbering of SRBA decree no. 72-16518. You are correct in that it was an error (should be in basin 73) and that the Department can renumber the water right. 72-16518 has been re-designated as 73-12174. Attached is a report for your records. Feel free to contact me if you have any questions.
