PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 92-10016

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

You stated on your proof form that your married name is now Shauna Ayers. The department is unable to change your name in our records unless you submit documented evidence of the name change through a marriage certificate, license, etc. Once the department has received such evidence, your name of record with this department will then be changed.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
Technical Records Specialist
