Skip: Here's the revised proposed license with the points of diversion you GPS'd. Do you agree with the legal descriptions on the points of diversion? Arc View was giving me crap when I updated the locations... Please review and let me know if

License_rtf

you think this is ok. Thanks!!! Kay

CONDITIONS OF APPROVAL

1. Measuring devices of a type approved by the department shall be maintained at such locations as necessary to measure the total quantity of water diverted and the total quantity of water returned to the Snake River after being used.
2. Some of the water use authorized by this right is claimed with an earlier priority date on Snake River Basin Adjudication Claim No. 27-4001A. If Claim 27-4001A is decreed as it is claimed, this right shall be diminished by the amount necessary to avoid any redundancy of water rights.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this _____ day of _____, 2004.
