Subject: Petition for Reconsideration, Permit 63-33320

Dear John,

We would like to thank the Department for processing Permit 63-33320 so quickly. This letter serves as a petition to the Department to reconsider Condition No. 10 that states:

"Right Nos. 63-33320 and 63-33318 are limited to the irrigation of a combined total of 75 acres in a single irrigation season."

We understand that the Department is attempting to recognize the fact that License 63-33318 cannot be used for irrigation of more than 75 acres, however the language in Condition No. 10 implies that permit 63-33320 is also limited to 75 acres, rather than 77 acres as authorized.

On behalf of the City of Meridian, we request that the condition either be removed, or clarified to explicitly state that permit 63-33310 is authorized for irrigation use on 77 acres.

Thank you John. Please let me know if you have any questions.

Sincerely,

Lori Graves
Water Rights Specialist
