Erick,

Application for transfer no. 76160 proposes creating a permissible place of use for rights 36-2461A, 36-2554A, 36-16149, 36-16155, and 36-16838.

Rights 36-2461A and 36-2554A currently authorize the use of water from the same two wells located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$ Section 21 and NW $\frac{1}{4}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 20, T7S, R18E.

Rights 36-16149 and 36-16155 authorize the use of water from the well located in the NE $\frac{1}{4}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$ Section 21.

Right 36-16838 authorizes the use of water from the well located in the NW $\frac{1}{4}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 20.

In order to approve a transfer application that proposes creation of a permissible place of use, the water rights using the common distribution system should also have the same authorized points of diversion. Would Last Ranch LLC like to amend application for transfer no. 76160 to add a point of diversion to water rights 36-16149, 36-16155, and 36-16838?

Charles E. Brockway is listed as a representative on the transfer application. IDWR can accept a letter or email from either Chuck or John Lezamiz that describes the amendment in sufficient detail.

This is the only item that Allen Merritt brought to my attention in his review. IDWR should be able to move forward with advertisement of the application after clarification of this point. Please call or email if you have any questions.

Sincerely,

Aaron Marshall, P.G.

Hi Erick,

Emmanuel provided the necessary documentation and I will move forward with the applications. I'll wrap it up next week, review it with Allen Merritt when he returns on Tuesday, and have it sent to the newspaper for advertisement of the legal notice. Have a great weekend.

Aaron

Hi Aaron,

I was looking back through my notes from the last few weeks, and I wanted to follow up with you regarding the transfer documentation that you needed from Emmanuel with Farm Management Services. Did he provide you with what you need? Is there any additional information that we can help provide for you?

I hear that you are vacationing until next week – I hope that you enjoyed it. It is always great to get away from 'normal' life for a little bit.

Regards,
Erick
