RE: Change in Ownership for Water Right No. 36-2016

Dear Ms. Ambrose:

I am attempting to complete owner changes that were submitted and never data entered because of missing or incomplete support documentation. The owner change you submitted in June 2004 splitting off a portion of Sand Springs Ranch & Company water right 36-2016 is one.

A review of the documentation you submitted with the owner change shows the legal description of the property you quitclaimed to the Elaine Ambrose Revocable Trust is missing. Without the legal description, I have no way of knowing what property you want in the name of your trust. If you would provide this one missing piece of documentation by **August 21, 2009**, this owner change can be completed.

Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,
