RE: Permit No. 63-33109

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form, and beneficial use field report submitted for the above referenced permit. The next step in the process is for the department to review the file for issuance of a water right license.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov
