RE: Lapsed Permit No. 95-8894

Dear Permit Holder:

On June 7, 2010, the Department received a letter from you requesting an additional 45 days time to provide you the opportunity to submit evidence of construction, and use of the water during the development period of January 3, 1995 to January 1, 1998.

In my letter to you dated May 17, 2010, I gave you 30 days to submit two acceptable documents that provide evidence of beneficial use during the time the permit was active, and a letter explaining the reason for delay of filing proof. My letter also stated, "If you need more time, please notify me." Therefore, I appreciate your notification of the additional time needed.

The Department will hold the proof statement you have submitted for an additional 45 days. If the evidence is not submitted by August 2, 2010, I will return the proof form and the filing fee to you and the permit will remain lapsed.

If you have any questions regarding this matter, please contact me at (208) 287-4945.

Sincerely,
