WATER RESOURCES

Dear Ms. Block,

This is in reference to Lapsed Permit No 95-8894 for Community United Methodist Church, (previously First United Methodist Church) 1470 W. Hanley, in Coeur d'Alene, Idaho.

The Board of Trustees of Community United Methodist Church are asking for an extension of 45 days after the deadline of 30 days that you have given us, as stated in your letter, dated May 17, 2009 (should it have been dated 2010?). We are making this request so that we can go back through our records and find the people and documents involved in the well project from 1996 to 1998 and document all of the steps involved, which will take additional time.

We appreciate your consideration in this matter. Thank you for your time.

Blessings,

Brian White,
President of Trustees
Community United Methodist Church
1470 W. Hanley Ave
Coeur d'Alene, ID 83815
