RE: OWNERSHIP CHANGE FOR WATER RIGHT #72-10361

Dear Mr. Rovetto,

In research, the Department has found you are the current owner of the property to which the above water right is appurtenant. In order for our records to be changed, however, it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete it per the instructions (pages 3 and 4), include the required fee of \$25.00 and return everything to the Department.

Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

I have enclosed a copy of your Warranty Deed to resubmit with the new form.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department

Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,
