**Re: Statement of Completion/Proof of Beneficial Use
Permit No. 63-31877**

Dear Ms. Block:

Pursuant to our recent telephone conversation, enclosed please find a fully completed Statement of Completion for Submitting Proof of Beneficial Use ("Proof") for the above-referenced Permit. If you will remember, Conger Management Group is the project manager working on behalf of Graham & Jordan Investors LLC ("Permit Holder") on the Willowtree Subdivision ("Subdivision").

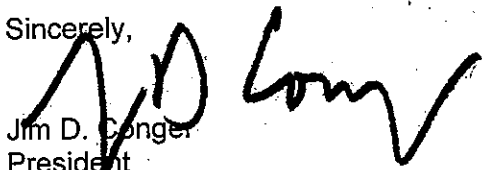

As I mentioned in our telephone conversation of May 13th, water from this Permit is being utilized by the well house. The improvements for the Subdivision, including all 17 lots, are completed and the lots are serviced for water use under the Permit. As previously outlined, the cost of improvements to the Permit Holder was over \$1 million, and represents Permit Holder's complete dedication to continued use of the water rights.

You mentioned on the phone that we might use the \$50.00 fee that we already sent in for this Proof. If you find that is not going to work, please let me know, and another check will be provided. (A copy of the original check is enclosed for your convenience.)

If you have any questions or concerns or need additional information, please let me know. I can be reached by cell phone at 208-713-2527.

Thank you for your courtesy and assistance.

Sincerely,

Jim D. Conger
President
