Re: Transfer # 74468

Dear Ladies and Gentlemen

The Department of Water Resources currently has on file transfer # 74468 in the name of Donald and Linda Kester. This transfer proposes to move water right # 36-7170 from the property sold to Shaun Rogers by Donald and Linda Kester to a separate property purchased by Mark and Lonna Newcomb from Donald and Linda Kester. This transfer of water right 36-7170 to the property now owned by Mark and Lonna Newcomb has yet to be completed. Water right 36-7170 is currently appurtenant to the property owned by Shaun Rodgers rather than the property owned by Mark and Lonna Newcomb. For the Department to complete this transfer Donald and Linda Kester needs to submit an **Assignment of Application for Transfer** (enclosed) to change the ownership of the transfer application to Mark and Lonna Newcomb. This will enable the Department to continue processing transfer # 74468 to move water right 36-7170 to the property now owned by Mark and Lonna Newcomb.

If you have any questions or concerns, please feel free to contact this office at your convenience.

Sincerely,

Benny Walker
Water Resource Agent
