Mr. Corey Skinner
Idaho Department of Water Resources
1341 Fillmore Street
Twin Falls, Idaho 83301

Dear Mr. Skinner:

My wife and I would be grateful to receive an additional extension on our application (71-10928) for a surface water right on our property in the Sawtooth Valley (T8N, R14E, Sec 3, NWSW). An extension of four months should be sufficient to assist us in providing additional information in support of our application.

Sincerely,
