WATER RIGHT NO. 37-22489
As Modified by Transfer No. 76222 and Exchange No. 76294

CONDITIONS OF APPROVAL

1. This right is limited to the irrigation of 1.0 acre within the authorized place of use in a single irrigation season.
2. This right is limited to the irrigation of a specific 1.0 acre within the 20.0 acre place of use authorized by this right in a single irrigation season. The specific 1.0 acre to be irrigated by the right holder shall be identified prior to use by submittal of a land list and a representative electronic shape file or by submittal of a land list and a map sufficiently detailed to allow creation of an electronic shape file to be associated with this right to the Department prior to the irrigation season in which the change will occur.
3. Place of use is located within Lot 2D; Townsend Ranch Subdivision.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District 37.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
6. Water shall not be diverted at the unnamed spring described above in an amount greater than what is available at the original point of diversion on Townsend Gulch located within Township 01N, Range 18E, Section 02, NWNESW.
7. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the department for measuring the flow in Townsend Gulch at the original point of diversion and at the point of diversion from the unnamed spring.
8. This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
9. The right holder shall accomplish the change authorized by this transfer within one years of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
11. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
