RE: Water rights and correct Warranty Deeds – Big J Farms LLC and JAG Farms LLC. Also, update on other Gehring owned entities which submitted for water right name change.

Attn: Jonie Barg

Enclosed you will find two checks – each for \$100.00 for the filing fee resulting from a division of water right no. 35-7941.

Also enclosed are the warranty deeds for both Big J Farms LLC and JAG Farms LLC, reflecting the proof of water right ownership.

A quick claim deed from Gary W. Gehring to Jordan C. Gehring is also included. This should satisfy for a release of interest from Gary W. Gehring.

The Department will now be able to process the ownership change with the enclosed documentation and fees.

On a separate note – we are referring to our attorney – Randy Budge – to complete the following water right no. changes

-35-7848	-35-2261	- 35-2854	-35-7179	-35-7180
-35-8899	- 35-7885 A, B, and C		- 35-8163	35-8165
-35-8186	-35-8187			

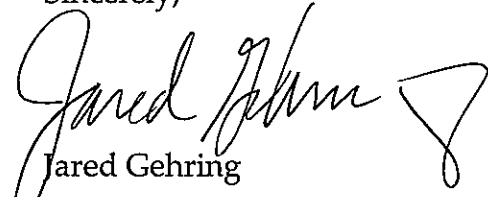

E035586 100.00 Jag
E035587 100.00 Big J

The above water rights were requested to be transferred into either Gehring Farms, Ferd Gehring and Son, Inc OR Gehring Investments, LLC

We need Randy to complete the necessary documentation and we will forward it on to you as soon as possible. We ask for some patience as Randy is busy with various water hearings and meetings.

Please feel free to contact me if you have any questions.

Sincerely,

Jared Gehring
