PROOF DUE NOTICE

RE: PERMIT NO. 63-32016

IMPORTANT: A response from you is required to maintain the active status of the referenced water right permit. If no response is received from you, the permit will lapse and your authorization to develop and/or use this water right will be cancelled.

Dear Permit Holder:

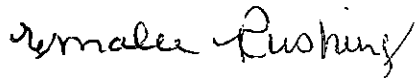

One condition of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 2010. Enclosed are two forms: a Proof of Beneficial Use (proof) form and a Request for Extension of Time (extension) form. An acceptable proof form accompanied by the appropriate license examination fee, or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof, if the water right has been applied to its beneficial use.

On May 5, 2009, the department received an assignment of permit for this permit as well as permit nos. 63-12316, 63-12317, and 63-31526. The assignment was not processed as the assignor was not the permit holder. A permit is considered personal property of the permit holder. To change the ownership of a permit, the permit holder of record, or entity which can prove it has the authority to act on behalf of the permit holder, must assign their interest in the permit to the new permit holder. For your convenience, I have enclosed a blank assignment of permit form, a copy of the permit, and a copy of the previously completed assignment of permit (which remains unprocessed). To complete the assignment of permit, we need an assignment from Paradise Homeowner's Assn., Inc. to Trinity Springs, Inc. or Trinity Springs, Ltd. I am also enclosing a change of address form as we have had returned mail from the Meridian address listed above.

If the project has not been fully completed, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been delayed by a federal agency or by litigation that brings title to the water in question, an extension of time may be granted if appropriate documentation is provided at the time of filing. An extension request must be accompanied by a \$50.00 filing fee and signed by the appropriate authorized permit holder(s) or authorized representative with a power of attorney.

Either an acceptable proof or an acceptable extension request must be received by this department on or before the above proof due date. If neither is received, the department will send you a lapse notice and the permit will no longer be of any force nor effect.

Sincerely,

A handwritten signature in black ink, appearing to read "Emalee Rushing". The signature is fluid and cursive, with the first name "Emalee" and the last name "Rushing" clearly distinguishable.
