Dear Ms. Gibson

Enclosed are two Requests for Extension of Time for Permits 74-15056 and 74-15057. The Proofs of Beneficial Use forms for these two permits were due on October 1, 2008. These developments have not been completed. Attached is a check for \$100 for the two Requests for Extension of Time.

Proof of Beneficial Use was also due on October 1, 2008 for permits 74-15616 and 75-14112. These developments have not been completed and at this time we are not proposing to complete them. We request that these permits be withdrawn.

The mailing address for our office has changed. Please consider this letter as notification of a change of address for these permits. Our new mailing address is: 1206 S. Challis St., Salmon, Idaho 83467.

Sincerely,

RENEE SNYDER  
Ecosystems Staff Officer
