RE: Ownership Change for Water Right 75-10277

Dear Ms. Krause:

Based on the ownership change notice you submitted in 2001 and on information recently provided by Stanley and Shirley Hitesman, the Department of Water Resources (IDWR) has changed the records to show you as the owner of Water Right 75-10277. An updated printout of the water right information is enclosed.

Despite recognition of the ownership change, the issue identified in your 2001 ownership change notice remains unresolved. Water Right 75-10277 was decreed with the place of use described as the NE $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 29, T21N, R22E, B.M., but the deed you submitted described two parcels of land in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, Sec. 29, T21N, R22E, B.M. Review of taxlot data suggests that your deed is correct and the water right is incorrect.

One potential remedy is to work with Mr. and Mrs. Hitesman to petition the Snake River Basin Adjudication (SRBA) court to re-open the partial decree for purposes of issuing a correction. Because the court decreed the right to Mr. and Mrs. Hitesman, their involvement is likely necessary to pursue the correction. Contact information for the SRBA court can be found on the internet at <http://www.srba.state.id.us/>.

Another option would be to file an application for transfer seeking permission to change the authorized point of diversion and place of use for your water right. The transfer application form is available on IDWR's website at <http://www.idwr.idaho.gov/> or by regular mail from any IDWR office.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

Shelley W. Keen, Manager
Water Rights Section
