RE: Application for Transfer 69783

Dear Judd Whitworth:

In 2002 you filed the enclosed application for transfer of water right, on part of 73-2098, a Pahsimeroi River water right. The BLM filed a transfer on another small portion of this water right. The BLM transfer has been withdrawn.

Your transfer was protested and not approved. You no longer own water right 73-2098. It was partial decreed in a Benjamin Yates name for only stockwater.

We recommend that you withdraw your transfer by returning the enclosed form. Please feel free to contact this office if you have any questions.

Sincerely,

Dave Carlson
