IDWR:

The Sulphur Creek Livestock Company via transfer No. 69783 is leaving behind 2 acres of irrigation water to be used by the Bureau of Land Management. The BLM intends to file another transfer, converting the 2 acres of Irrigation water to .03 cfs of Stockwater for use in the Mahogany Creek Pipeline Project. The Sulphur Creek Livestock Company supports this proposed transfer.

Should the Mahogany Creek Pipeline Project be abandoned by the BLM, the .03 cfs of Stockwater should return to Sulphur Creek Livestock Company ownership.

Sincerely,
