Dear IDWR:

This letter is a follow up to our letter dated April 19, 2002 regarding Sulphur Creek Livestock change of diversion Transfer No. 69783 from Mahogany Creek to a new location along the Pahsimeroi River. We want to clarify the fact that we do not oppose the transfer of water but need to complete the necessary NEPA and consultation requirements prior to authorizing water going into a ditch.

If you have any questions you can contact Alan Bittner at (208)756-5423 or me at (208)879-6206.

Sincerely,

Renee Snyder
Field Manager
