RE: Application for Transfer No.: 69783

Dear Applicant:

Enclosed please find copies of the protests filed against the above referenced application for transfer of a water right. You should be aware that the following are the items we can consider at a conference and/or hearing in either approving or denying an application for transfer:

- 1) Are other water rights injured by the transfer?
- 2) Does the change constitute enlargement in the use of the original water right?
- 3) Is the change consistent with the conservation of water resources within the state of Idaho?
- 4) Does the change conflict with the local public interest?

The applicant must be prepared to present evidence and/or testimony addressing each of the four items should an additional hearing be necessary. You will be notified at a later date as to the time and place set for conference and/or hearing.

If we may be of further assistance, please contact us.

Respectfully submitted,

HAROLD W. JONES
Water Rights Supervisor
