

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF TRANSFER)	
NO. 76299 IN THE NAME OF SNAKE)	NOTICE OF PRE-HEARING CONFERENCE
<u>RIVER VALLEY IRRIGATION DIST)</u>	

On March 19, 2010, Snake River Valley Irrigation District, filed an Application for Transfer No. 76299 with the Idaho Department of Water Resources (department). Protest(s) were filed by North Side Canal Company, A & B Irrigation District, Milner Irrigation District, Twin Falls Canal Company, Burley Irrigation District and American Falls Reservoir District #2 represented by Barker Rosholt & Simpson.

The department has scheduled the matter for pre-hearing conference on **Monday, June 07, 2010**, beginning at **1:00 PM**, at **Idaho Department of Water Resources, Eastern Conference Room, 900 N Skyline Dr, Ste A, Idaho Falls ID 83402**.

Agenda items for the pre-hearing conference will include:

1. Identify spokesman and/or counsel representing the protestant
2. Review of the application
3. Identify issues of protest
4. Designate target date for conducting administrative hearing if resolution is not possible during the pre-hearing conference.

The department encourages the applicant and protestants to discuss and resolve the protests before the pre-hearing conference. If private discussions are not possible or do not resolve the protests, the department's Rules of Procedure provide for a pre-hearing conference to be held before scheduling a formal hearing.

The pre-hearing conference provides another informal opportunity for the applicant and protestants to meet. The parties often settle their differences at the pre-hearing conference. If a formal hearing is needed to resolve the protests, the pre-hearing conference serves as an opportunity to formulate or simplify the issues, obtain concessions of fact or identification of documents to avoid unnecessary proof, schedule discovery (when discovery is allowed), arrange for the exchange of proposed exhibits or prepared testimony, limit witnesses, schedule hearings, establish procedure at hearings, and address other matters that may expedite orderly conduct and disposition of the proceeding.

It is important for all parties to give considerable thought to each of these matters before appearing at the pre-hearing conference and to make the most of the opportunity to resolve the dispute informally.

The pre-hearing conference will be conducted in a facility that satisfies the accessibility requirements of the Americans with Disabilities Act. If you require special accommodations in order to attend, participate in, or understand the pre-hearing conference, please notify the department at least (10) days prior to the hearing. Inquiries about scheduling, hearing facilities, etc., should be directed to Sharla Cox, (208)525-7161.

Dated this 24th day of May, 2010.

Water Resources Program Manager
