**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO(S). 45-13948 & 45-13950**

Dear Renter:

The Department of Water Resources ("Department") acknowledges receipt of your agreement to rent water from the Water Supply Bank ("Bank"). Enclosed, please find a corrected Water Supply Bank Rental Agreement for your review and signature. A clerical error was made on the original agreement that set the rental term from March 15, 2010 to November 15, 2015. The correct rental term should be March 15, 2010 to November 15, 2014. I am returning both copies of the original agreement that were submitted. Upon signature and return of the corrected agreement, the Department will sign the corrected agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

The Department acknowledges receipt of the rental fee of **\$274.40** that was submitted with the original agreement for year 2010. A copy of the receipt is enclosed for your records. An annual payment shall be received by the Department prior to the execution of this agreement and prior to March 15, the beginning of the irrigation season, in all subsequent years for the duration of the rental period. The agreement will be void if payment is not received prior to the due date in a given year. If you would like to terminate the agreement prior to the end of the rental period, you must submit written notice of your intent to the Department at least 30 days prior to the rental fee due date.

It is my understanding thru verbal discussion with Aaron Marshall of the Department Bruce Smith acknowledged that upon processing of this rental application, received December 2, 2009, a second rental application for the same purposes, received January 6, 2010, would be withdrawn. Please include written concurrence of this with the return of the signed amended rental agreement.

If you have any questions, please contact me at (208) 287-4949.

Sincerely,

Nicholas Van Dyke
Sr. Water Resource Agent
