Subject: Transfer Application 75704 Junayo Ranch Amended Application & BLM Land Use Permit

Mrs. Brandau,

Mr. Orndorff came into my office this afternoon and amended Junayo Ranch LTD Partnership's transfer application (Transfer No. 75704) per our phone conversation early today. I have attached a scanned copy of the amended application, plus a copy of the BLM Land Use permit Mr. Orndorff submitted in conjunction with the transfer application, per your request. I hope these documents will enable you to fully evaluate and make recommendations regarding the proposed transfer. The scanned copy of the BLM land use agreement is currently available on the Department's website for other members of the public to view. The amended transfer application should be available by tomorrow. I appreciate you bringing the place of use description error on the application to my attention. Please let me know if you have any other questions regarding this transfer application or if I can be of further assistance. I look forward to receiving your watermaster comments/recommendations with regard to this transfer application.

Sincerely,

Angela M. Grimm
