RE: Notice of Change in Ownership for Water Right Nos. 37-7347 and 37-10547

Dear Mr. & Mrs. Van Der Meulen:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the water rights referenced above. Our review of your notice indicates that water right no. 37-7347 has not been claimed in the Snake River Basin Adjudication (SRBA). Because the water right was established prior to November 19, 1987, the commencement of the SRBA, a Notice of Claim is required.

The Department cannot process a Notice of Change in Water Right Ownership unless the water right is claimed or exempt in the SRBA. I have enclosed the Motion to File Late Notice of Claim and the Notice of Claim forms for your use to file a claim. Please contact our adjudication section if you have questions regarding these forms.

If you wish, the \$25 submitted for the ownership change for water right 37-7347 can be applied toward the fee for a late claim in the SRBA. Please contact this office with your decision within 30 days. After 30 days, the Department will send a refund of \$25 to Land Title and Escrow, Inc.

The ownership of water right no. 37-10547 has been updated. Please find enclosed a computer generated report for your records.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
