May 13, 2010

Dear Jim Conger,

As I understand it per our telephone conversation today, some of the water is being used and all 17 lots are stubbed in for water use under this permit. Attached is the proof form that is needed in order to file proof of beneficial use on behalf of Graham & Jordan Investors LLC. The proof due date was May 1, 2010, therefore this permit has lapsed. By filing a proof statement the permit will be reinstated and the priority date advanced one day for each day it is late beyond the proof due date.

Sincerely,

Darla Block
