RE: Security Interest Water Right No. 15-2022

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

Evidence of Security Interest-During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. According to our records the water right listed above is owned by Progressive Irrigation Co and covers additional ground not owned by your client. Please supply the department with a additional legal documentation indicating your interest in the above listed water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
